

Notice of a Designated Hunt Master

This form is covered in Paragraph 1d of the YOLA Wildlife Regulations and is to be used by the Landowner or Designated Representative to identify a Designated Hunt Master and communicate that designation to the YOLA Wildlife Committee.

The following individual:

Name (printed or typed)	Telephone Number
Is hereby named the Designated Hunt Master for tract(s)	
For the time period	

I believe this individual is knowledgeable of hunting in general and specifically of the regulations of the State of Texas and the YO Landowners Association, and is capable of leading a safe hunt/harvest within these regulations. This individual also understands the YOLA hunting tag procedures and the permitted harvest (by sex and species) on the properties listed above. Further I certify this individual understands my properties and boundaries and will observe those boundaries and respect the safety and rights of all neighbors during the hunt/harvest.

I also agree that my obligations as a Landowner are not affected by this designation and specifically that I remain completely responsible for any violations or damages which may occur during any hunt/harvest led by this individual.

I agree that this Designated Hunt Master possesses NONE of the powers or responsibilities of a Designated Representative including representation and accountability to YOLA for any and all legal or financial matters and further that this individual may not also be my Multiple Harvest contractor, if applicable.

Finally, I understand that regardless of the time period indicated above this designation is only for the current hunting season based on the date below, cannot bridge two or more seasons, and supersedes all previous Designated Hunt Master designations.
